A Secluded Family Park

'A woodland walk to Cod Beck Reservoir'

The Caravan Park is divided by terraces and areas of woodland providing sections on the Park with varying character to suit a range of caravanners and campers. The Cod Beck stream flows through the Park and together with the areas of woodland, provides ideal exploring ground for children. There are designated "family" and "quiet" areas on the Park.

From the Park

The historic village of Osmotherley is a pleasant 10 minute walk. A thriving village once famous for the brewing of ale and bleaching of linen cloth, it now offers tearooms, shops, three pubs / restaurants and is famous "walking country."

'Osmotherley'

From the gateway of the Park is a vast network of public footpaths and cycle paths leading onto the North York Moors and beyond.

'Reception & well stocked shop'

'The fabulous North York Moors'

These include the **Cleveland Way**, the nearby **Coast to Coast** and the **Lyke Wake Walk** which begins at Osmotherley. **The National Cycle Network** (Route 65) is also accessible from the Park. For a more gentle stroll, visit **Cod Beck Reservoir** and **Sheep Wash** - a popular beauty spot. A range of fishing is available within 10 mins drive.
